DAY 2: HUSKIES & THE ARCTIC SNOW HOTEL

This morning, you'll join a 10-kilometre (6-mile) guided dog sledding excursion. When you arrive at the husky farm you'll hear the excited huskies waiting for their chance to run through the snow-covered forest trail. Following a brief lesson at the kennel, you'll drive your own sleigh, pulled by a team of energetic huskies, through the woods and over the snowy plains. There will be 2 people sharing each sleigh, taking turns mushing.

In the afternoon you will head to the Arctic SnowHotel. This complex is built entirely of snow and ice each year. Here you'll enjoy a guided tour to see the beautiful ice rooms as well the ice restaurant and ice bar.

After the tour, tuck into a 3-course dinner based on local specialties at the rustic Kota. It is modelled after a traditional Sámi structure for a cosy atmosphere. In the late evening you will be transferred back to your accommodation.
