DAY 2: DOG SLEDDING & NIGHT AT THE ICEHOTEL

Experience the thrill of dog sledding today with an experienced guide. At the kennel you will learn to drive your own sled and team of huskies and then you'll follow your guide's lead on the beautiful snowy trails, through the woods and over the plains. After a good ride, enjoy some coffee and a light lunch in front of a campfire.

Then it's time for the grand highlight of your holiday: the ICEHOTEL and ICEHOTEL 365. On arrival to the complex you will be taken on a guided tour to learn about this hotel's unique concept and construction. You'll also get handy tips from the ICEHOTEL staff on how to sleep comfortably in your ice room. Regardless of whether you spend the night in the original ICEHOTEL or the new year-round, solar-powered ICEHOTEL 365 structure, the temperature inside is kept at around - 5°C (21°F). But not to worry! You be provided with a thermal sleeping bag to keep you warm as you sleep on soft reindeer skins atop a bed made of ice.
